Canoe Trip

The Forked River Mountain Coalition will sponsor our eleventh annual canoe trip down Cedar Creek on May 30, 2005. We will depart Double Trouble State Park at 10:00 am and return approximately 3:00 pm. The cost is \$10 per person. There is a three (3) person limit per canoe.

Bring lunch, drink, insect repellent, sun tan lotion, hat or sun glasses. Long pants and sneakers are recommended. No alcohol.

We will provide canoes, life preservers and transportation back to Double Trouble State Park.

Persons who are interested in attending should complete and return the registration form in this newsletter or call (609) 693-1268 for more information.

Treefrog Hike

If you would like to try your luck at discovering an endangered Pine Barrens Treefrog join us on the evening of Friday, June 10 2005. We will meet at the former Bamber Store at 7:30 pm and return around 9:30 pm. The Bamber Store is located at the intersection of Lacey Road and Dover Road about 5 ½ miles west of Parkway exit 74.

There will also be an opportunity to view several unique plants during the hike including sundews, pitcher plants and the endangered curly-grass fern.

The cost for this program is only \$5 per person. You must provide your own transportation. Long pants and boots are recommended. Bring insect repellent and a flashlight. Barnegat Bay Festival

The ninth annual Barnegat Bay Festival will be held on Saturday, June 25, 2005 at Ocean County College. The festival is a cooperative effort of non-profit organizations and government agencies dedicated to maintaining the health and quality of the Barnegat Bay and its vast watershed covering most of Ocean County. The festival is designed to heighten environmental awareness about the natural resources of the watershed and the impact of human activities on these resources.

Open space conservation in the Pinelands complements efforts to protect Barnegat Bay because many of the streams and rivers that flow into the bay originate in the Pinelands. The Forked River Mountain area contains the headwaters to three major tributaries of Barnegat Bay, including the Cedar Creek, Forked River and Oyster Creek. For additional information call (732) 255-0472.

Whitesbog Blueberry Festival

The 22nd annual Whitesbog Blueberry Festival will be held on Saturday, June 25, 2005.

The Blueberry Festival commemorates the cultivation of the blueberry and the birth of the blueberry industry. The festival is held at Historic Whitesbog Village, located on the outskirts of Browns Mills in Lebanon State Forest. The festival provides activities, music, food and fun for the entire family including guided tours and walks of the area.

The festival is presented by the Whitesbog Preservation Trust who are working to restore this important piece of New Jersey heritage. Oh yes and don't forget the blueberries! For more information call (609) 893-4646.
