## A LOOK BACK. . . A LOOK AHEAD. . .

Below are just some of our accomplishments for 2016, and some of our future goals for 2017 and beyond.

### 2016 Accomplishments

- ✓ Volunteers removed 39 tons of trash during the 23rd Annual Spring Cleanup. To date, more than 658 tons (well over one-million pounds) of debris has been removed from the vast Pinelands forest surrounding the Forked River Mountains.
- ✓ Hosted an annual meeting of stakeholders with representatives from over a dozen agencies and non-profit organizations to discuss ongoing open space acquisition efforts as well as land stewardship and management needs within the Forked River Mountain area.
- ✓ Sponsored and participated in a variety of educational events, like the Barnegat Bay Festival and Pine Barrens Jamboree, to promote a greater awareness about the importance and significance of the Forked River Mountain area.
- ✓ Continued to publish our newsletter, "Forked River Mountain Views," and update our website to report on our activities and educate the public about conservation and stewardship efforts in the area.
- ✓ Conducted general cleanup and maintenance along our hiking/interpretive trail and at our four main preserves. The total of all the land protected in our preserves stands at just over 106 acres.

### 2017 Goals

- ❖ Acquire more land. Precious little time remains if we are to protect the entire Forked River Mountain area as open space.
- ❖ Continue plant and wildlife studies. We must understand the habitat requirements of threatened and endangered species if we are to ensure their survival here and elsewhere.
- ❖ Continue to seek grants that will support our acquisition and stewardship activities.
- ❖ Continue work on a comprehensive trails system for the Forked River Mountain area. Eventually over 20 miles of hiking, interpretive, mountain biking, horseback, cross-country skiing and motor vehicle trails are possible.
- ❖ Sponsor additional Eagle Scout projects to support conservation and stewardship activities.
- ❖ Maintain and expand our web site to bring you all the important information and news you need to know about the Forked River Mountains and the Coalition.
- ❖ Conduct the annual spring cleanup, our annual canoe trip and treefrog hike and participate in the Barnegat Bay Festival, Pine Barrens Jamboree and other educational events to promote greater awareness about the importance and significance of the Forked River Mountain area.

But we can only realize our goals with your help.
